## 2021-2022

### ATOMS BOOSTER MEMBERSHIP & ATHLETIC PASSES

The Atoms Boosters need you as an ATOMS fan in the stands cheering on our athletes, as well as behind the scenes as an athletic supporter.

*100% of your contributions support the many athletic programs, facilities and athletes at AHS.*

- The Athletic Boosters are parent volunteers who lend their time and manpower
- Facilitate athletic events as well as raise money to support our athletic programs.
- The Boosters efforts include things such as, but not limited to: the purchase of new uniforms and equipment, financial support to maintain and update athletic fields and facilities as well as provide fan spirit wear to show our Atom Pride!
- Each year the FCPS budget tightens and provides less towards athletic programs. This is why a successful Booster program working with our school athletic department is so important for our athletes.
- Tradition is big at AHS and we consistently have a very successful year for the Atoms with many AHS teams and individual athletes participating in the post-season. Your support is needed to keep that tradition alive and help our athletes continue their successful athletic efforts.
